## FILCH

**You have the power of Theft.** As a main player, after encounter cards are discarded at the end of an encounter, you *may use* this power to retrieve your opponent's card from the discard pile and add it to your hand.

*Within their genteel, sophisticated tribes, the Filches have refined the art of acquisition to a high aesthetic. The most judicious and subtle thefts are memorialized in legend and song. Lately they have taken to eying the depths of space and thoughtfully ripping their tentacles.*
